## MESSAGE FROM THE PRESIDENT

An old proverb asks something along the lines of how do you eat an elephant? And the answer is -- one bite at a time. So, when we encounter a big challenge one approach is to overcome it through doable, incremental steps.

A perennial challenge is the rising cost of a college education. In the past twenty years tuition and fees at private National Universities have risen 126 percent. By thinking globally and acting locally how can the VWC help the economically disadvantaged or even economically average American - who is also an exceptional scholar - afford an education at a highly selective university like Vanderbilt? One dollar at a time.

On **Monday, March 3 at 4:00** at the Community Foundation of Middle Tennessee we have our official Capital Campaign Kick-off. This is not a fundraiser; it's an awareness-raiser. We will hear from some of the women in the club who have been integral to the growth of our scholarship fund -- from one dollar to its current level of nearly \$400,000.

You will hear from members throughout this month during the VWC Stapleton/Weaver Scholarship Capital Campaign. Would it be wonderful if one individual wrote a big check that met or exceeded a \$25,000 annual fundraising goal? Sure! Step right up. But our goal for our club of 240+ members is 100 percent participation -- whatever the donation amount. It's part of our club mission. And our individual participation contributes to the really big picture of Opportunity Vanderbilt to make a Vanderbilt education possible for young, deserving scholars.

As the Capital Campaign month commences, I'd personally like to offer a big thank you to those members who already have donated to the fund. You can see those names on page four. Donating is a year-round opportunity. Every drop in a bucket helps fill it up! And a huge thank you to Anna Walker, Fundraising Chair, for heading up our fundraising efforts this year.

I hope to see you Monday at the Kick-off for information, socializing, nibbles, and mocktails.

Best regards,  
Kelly Chambers

### Welcome

**Tara Leclerc:** My husband Réal and I moved to Nashville in 2023 from Darien, Connecticut. I graduated with a BA from Vanderbilt in 1997. One of our daughters will be moving to Nashville this summer to attend graduate school at Vanderbilt.

**Sophia Qualkenbush:** I was born in the ancient city of Shiraz, Iran and attended college in the US, where I met my husband. I'm a mother of two, and grandmother of two. While retired today, I had a varied career in engineering, sales and the mortgage business. My interests include travel and the financial markets.

**Leslie Ruder:** I am a native Nashvillian. I worked as a registered nurse at Vanderbilt in multiple capacities over the years. My hobbies are swimming, gardening, and reading books. I am very excited to be part of the Vanderbilt Woman's Club.

**Susan Warrington:** My husband, Bob and I moved here from Florida, but spent most of our married life in West Michigan and Chicago. In Chicago we enjoyed the live sports, theater, and many restaurants available. I retired from a second career as a Travel Consultant, specializing in Europe, Africa, and Australia. We have been able to visit all 7 continents. I look forward to being part of the Vanderbilt Woman's Club. Everyone has made me feel so welcome.

## Member Spotlight

**Anne Plummer:** We moved to Nashville in 1971 when John was offered a position in the English department. We rented a house on Essex Place. Three years later we bought a house down the street from a faculty member who did not get tenure. A few years later, a larger house became available down the street so we bought that house. We have lived in three houses on a two-block long street for over 50 years! I stayed home with young children for some years and then decided to get some education in the fairly new field of data processing, as we called it then, or IT as we refer to it now. It turned out to be a good approach and I worked for HCA for about 18 years. We loved to travel! Thanks to Vanderbilt University, we were able to spend a summer in southern France and then later a year in Leeds, England. It was a grand year and we took walks all over Yorkshire every Saturday. In 2022, we had the opportunity to move to Richland Place and we decided to take it. We are so glad we did; the residents and staff are terrific and we are happy to be here. We still have our country property in Hickman County and go out there most weekends, watching the birds and listening to the silence of the country.
