- When cleaning equipment, check with the manufacturer's instructions to ensure one of these products can be used.
- Use these cleaning products according to the label instructions; follow "kill time".
- CDC has recommended hand sanitizer (>60% alcohol) for hand hygiene or washing with soap and water for 20 seconds.

Important Note: Symmetry products that are alcohol free, are not approved as a hand sanitizer for the COVID-19 outbreak. This product will no longer be dispensed from Supply Chain. Please remove this item from your areas.
